Professional expertise

Intellectual property rights, comprehensive corporate legal affairs, commercial disputes, investment, financing, and merger

Personal Profile

As a partner of Blossom & Credit, Mr. LIU Biao always upholds the working idea of diligence and good faith. Mr. LIU specializes in intellectual property rights, corporate legal affairs, and dispute handling. In his practicing career, he handled a large amount of litigation and arbitration cases with rich experience and unique insights in safeguarding copyright, infringement on the Internet, and handling of commercial disputes. Meanwhile, he is a permanent legal advisor to several large- and medium-sized enterprises. He participated in commercial negotiation for enterprises, drafted and concluded various contracts, participated in due diligence investigation, provided legal opinions for project decision-making, implemented preventive measures with respect to potential disputes, and customized individualized legal solution specific to clients to safeguard the rights and interests of clients to the maximum extent.
